Citizen of the Year

The Citizen of the Year is a very special award as it honors an individual who makes an outstanding contribution to the community in service and leadership.

In order for the Citizen to be properly recognized by all of Lake Havasu City, the recipient is honored by becoming the Grand Marshall of the London Days Parade in October.

This year's awardee is Dr. Bill Ullery.

One of our recipient's nominators said he has worked tirelessly to achieve a dream, and his passion and tenacity have made it real.

Another mentioned the thousands of hours he has spent in making something wonderful happen for Havasu, using his own resources and his own time when frankly, he could be laying by the pool enjoying his retirement.

Yet another said he is one of the few that understand the economic impact and overall awareness a four-year university will bring to Lake Havasu City. No matter the opposition, he has been been at the forefront, championing our cause, and staking a claim for our community.

Because of his diligence, ASU at Lake Havasu is now a reality.
